Nominate an outstanding co-op member to win the #WhoPowersYou contest

Kentucky's Touchstone Energy Cooperatives, including Nolin RECC, are proud to bring the exciting #WhoPowersYou contest to our local communities. In the past, the national contest has recognized people across the country who make a difference. Now, the contest is open to Kentucky's Touchstone Energy Cooperatives' members only!

Let us know about the co-op members who are making a positive impact on their communities. Someone in Kentucky will win \$1,000 for first place, \$750 for second and \$250 for third place. That's dollars awarded to co-op members who are living the cooperative principle "Commitment to Community."

Past winners included a teenager who worked to donate bags to kids in foster care, a man who supported local law enforcement with counseling services and a woman who created a non-profit organization dedicated to rescuing displaced animals.

"It's easy to enter. Just share a brief description of how a co-op member has made a difference in the community," said Nolin RECC Communications Manager Sarah Fellows. "We know there are so many wonderful people here and we want to recognize their dedication to improving our communities."

Simply visit www.whopowersyouky.com to nominate someone special in your community. Contest is open from Oct. 1 to Oct. 31, 2021. Winners will be announced in mid-November.

The nominee must be a current member of a participating Kentucky's Touchstone Energy Cooperative (like Nolin RECC) to be eligible. Nominators do not have to be a co-op member to submit a nominee.

Help us recognize our unsung Kentucky heroes! It's the co-op way of making life better.
