- Submit the Multi-Unit Declaration of Domicile along with individual declarations for all dwelling units to each applicable utility provider or rural electric cooperative, not to the Department of Revenue.
- Landlords or other accountholders should submit a Multi-Unit Declaration of Domicile for each meter that serves multiple units; however, every unit served by the meter must have a fully-completed Declaration of Domicile for the account to qualify as residential. **Landlords or other accountholders may not complete the Declaration of Domicile on behalf of their residents.**
- Accounts for meters that exclusively serve common areas or that serve common areas and multiple dwelling units are not eligible for residential treatment. No declaration shall be submitted for these accounts.
