Nolin RECC is hosting its 85th Annual Meeting of members this week

Drive-thru registration and the business meeting will be held at the Elizabethtown office

The annual meeting of members is foundational to the cooperative business model. Since Nolin RECC was founded in 1938, members have gathered annually to hear about co-op business.

As has been the case since Covid caused a change in the meeting format, registration and the business session will take place at Nolin's Elizabethtown office at 411 Ring Road.

Drive-thru registration will take place on Thursday, June 15 from 8am-5pm and again on Friday, June 16 from 8am-2pm. While all Nolin offices will close on Friday the 16th at 2pm, walk-up registration will still be available from 2-3pm. Members will need to bring the registration slip they received in the mail with them to get their bucket and bulbs.

The business session will take place at 3pm on Friday the 16th in the Cooperative Meeting Center at the Elizabethtown office. At this session, the newly-elected directors will be announced and Operation Round-Up grants will be awarded. Prizes will be drawn immediately following the meeting. The meeting can be attended in person and will also be live-streamed on Nolin's YouTube channel. Members do not need to be present at the meeting to win a prize.

"Annual meeting is a time to see many of our members and to celebrate who we are as a cooperative. This year is especially significant as we will welcome a new director to District 1," says Communications Manager Sarah Fellows. Retiring District 1 Director Buddy Rosenberger chose not to run again after 45 years of service on the board.
