Nolin RECC has announced the winners of the Washington Youth Tour sponsored by Nolin RECC, Kentucky Electric Cooperatives and the National Rural Electric Cooperative Association (NRECA). This all-expense-paid trip to Washington, D.C., is awarded to five high school juniors

**THE FIVE REPRESENTATIVES ARE:**

**Heaven Carpenter (CHHS)**  
**Regan Raifsnider (CHHS)**  
**Grant Shearer (EHS)**  
**Anna Sumrall (EHS)**  
**Samuel Teipen (Homeschool)**

Our two alternates are Celia Keith and Benjamin Craig. High school juniors applied for this program and were selected by committee based on a review of a submitted essay, their knowledge of Nolin RECC and cooperatives, and an in-person interview.

These students will spend June 17-22, 2024 touring The Smithsonian Institution, Arlington National Cemetery, the FBI Building, the National Zoo, Library of Congress, U.S. Capitol, the Kennedy Center, plus a visit with Kentucky's congressional delegation.

"Nolin RECC is proud that these students will be representing our service area. They join over 1000 other students from cooperatives around the country traveling to Washington for this once-in-a-lifetime opportunity." says Communications Manager Sarah Fellows.
