

Generac Home Standby Generator Program

Purchase Acknowledgement

I hereby acknowledge my understanding of all the following terms and conditions:

\_\_\_\_\_ I understand that Nolin RECC's affiliation with Generac as a marketing partner does not imply any endorsement or recommendation of Generac over other manufacturers.

\_\_\_\_\_ I understand that Nolin RECC does not provide installation or service of Generac generators. I also understand that Nolin RECC does not endorse or recommend specific installers or warranty service providers, and any provided names of known organizations are for my reference and convenience only. I understand that I may select any installer and warranty service provider of my choosing.

\_\_\_\_\_ I understand that Nolin RECC and/or its affiliates may contact me in the future regarding my interest in potential participation in member programs such as demand response initiatives.

\_\_\_\_\_ I understand that Nolin RECC is not responsible for properly sizing the generator for my home. Any historical data on the power and energy needs of my home requested from Nolin RECC's meter records is provided only for my reference.

\_\_\_\_\_ I understand that Nolin RECC does not warranty or guarantee the equipment provided or the proper function and operation thereof, and all warranties are provided through Generac. I understand that I should contact Generac or my selected warranty service provider or installer for service-related questions or claims in the future.

\_\_\_\_\_ The undersigned shall hold harmless Nolin Rural Electric Cooperative Corporation (hereinafter referred to as "the Cooperative"), its officers, directors, employees, contractors and representatives from and against any and all liabilities, damages, obligations, losses, claims, causes of action, costs, debts, dues, charges or expenses (including reasonable attorney's fees, expert fees and court costs), of whatsoever kind and nature incurred by the undersigned as a result of purchasing, installing, maintaining, repairing and operating a Generac generator purchased through the Cooperative.
