

**Generac Standby Generator Program Purchase Acknowledgement**

I hereby agree to and acknowledge my understanding of all the following terms and conditions (please initial each):

\_\_\_\_ I understand that Nolin RECC’s relationship with Generac in marketing generators does not imply any endorsement or recommendation of Generac over other manufacturers.

\_\_\_\_ I understand that Nolin RECC does not provide installation or service of Generac generators. I also understand that Nolin RECC does not endorse or recommend specific installers or warranty service providers, and any provided names of known organizations are for my reference and convenience only. I understand that I may select any installer and warranty service provider of my choosing.

\_\_\_\_ I understand that Nolin RECC and/or its affiliates may contact me in the future regarding my interest in potential participation in member programs such as demand response initiatives.

\_\_\_\_ I understand that Nolin RECC is not responsible for properly sizing the generator for my home or business and/or any resulting consequences of improper sizing. Any historical data on the power and energy needs of my utility service requested from Nolin RECC’s meter records is provided only for my reference.

\_\_\_\_ I understand that Nolin RECC does not impliedly or expressly warranty or guarantee the equipment provided or the proper function and operation thereof, and all warranties are provided through only Generac. I understand that I should contact Generac or my selected warranty service provider or installer for service-related questions or claims in the future.

\_\_\_\_ I understand that all sales are final after purchase, and I can not cancel or return my order or receive any refund.

\_\_\_\_ I understand that if I have authorized my installer to pick up my generator order on my behalf, I will notify Nolin if my installer changes prior to pickup. I also understand that Nolin is not responsible for the generator order after it is picked up by me or the installer I have authorized to pick up on my behalf.

\_\_\_\_ The undersigned agrees to and shall indemnify, defend, and hold harmless Nolin Rural Electric Cooperative Corporation (hereinafter referred to as “the Cooperative”), its officers, directors, employees, contractors and representatives from and against any and all liabilities, damages, obligations, losses, claims, causes of action, costs, debts, dues, charges or expenses (including reasonable attorney’s fees, expert fees and court costs), of whatsoever kind and nature incurred by the undersigned as a result of purchasing, installing, maintaining, repairing and operating a Generac generator purchased through Nolin RECC.
