AUGUST 2024

86th annual meeting of Nolin RECC members

Nolin RECC welcomed 2,801 members during annual meeting 2024. Our drive-thru registration continues to be popular with members and we offered in-person and live-streamed options for the business session again this year.

During the business session, the re-election of Nolin Directors Rick Thomas (District 3) and Linda Grimes (District 5) was announced. In addition, cooperative members received a treasurer's report from Rick Thomas and an update on co-op business by President & CEO Greg Lee. Door prizes and coloring contest winners were drawn after the business meeting.

Thank you to our members who participated this year and our employees who made annual meeting a success and congratulations to our prize winners!

NOTICE

Pursuant to the Kentucky Public Service Commission's ("Commission") regulation 807 KAR 5:011, Section 8, Nolin Rural Electric Cooperative Corporation (RECC) gives notice that a tariff requesting approval to modify the terms and conditions of temporary service will be submitted to the Commission on August 1, 2024. If Nolin RECC's requests are approved, the tariff will be effective August 31, 2024, at which time the terms and conditions set below will be implemented for all new applicants requesting temporary service:

Nolin is removing some tariff language that allowed for an option to finance construction cost on three-phase services over a five-year period at a fixed interest rate defined in the tariff. This option was only identified in the tariff for three-phase service, was only listed on certain rate schedules, and the interest rate is not consistent with current interest rates.

A person may examine this tariff filing upon request at the Nolin RECC office located at 411 Ring Road, Elizabethtown, KY 42701. A person may also examine this tariff filing at the Commission's office located at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the commission's website at <http://psc.ky.gov>. Comments regarding this tariff filing may be submitted to the Commission through its website at <http://psc.ky.gov>, or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602. The terms and conditions contained in this tariff filing are the terms and conditions proposed by Nolin RECC, but the Commission may order terms and conditions that differ from the proposed terms and conditions contained in this tariff filing. A person may submit a timely written request for intervention in this tariff filing to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request and including the status and interest of the person requesting intervention. If the commission does not receive a written request for intervention within thirty (30) days of this notice, the Commission may take final action on the tariff filing.

Do you know a teacher in Hardin or LaRue County?

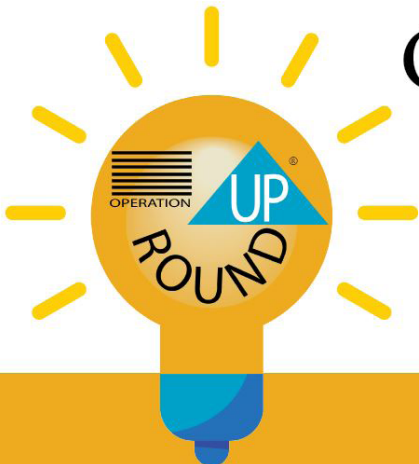

They could win \$200 for their classroom!

Operation Round-Up will be awarding thirty \$200 grants to teachers in Hardin and LaRue Counties for the 2024-25 school year. The Be a Light Teacher Grants are a way to honor and thank local educators for

the impact they make in our communities every day.

Winners are selected through a random drawing from all eligible entries received and included: ten K-5th grade teachers, ten 6th-8th grade teachers

and ten 9th-12th grade teachers. Applications for Operation Round-Up Be a Light Teacher Grants will be accepted through August 31, 2024. Find details and the simple application at www.nolinrecc.com.
